### PUBLIC NOTICE

The Federal Communications Commission (FCC) has designated for hearing The Petroleum V. Nasby Corporation's application for renewal of its license for Station WSWR(FM), which operates on 100.1 MHz, at Shelby, Ohio.

The application of this station for renewal of its license to operate this station in the public interest was tendered for filing with the FCC on June 1, 1989. After considering this application, the FCC has determined that it is necessary to hold a hearing to decide the following questions:

1. To determine the effect of Thomas L. Root's federal and state convictions on the basic qualifications of The Petroleum V. Nasby Corporation.
2. To determine, pursuant to Section 310(d) of the Communications Act of 1934, as amended, and Section 73.3540 of the Commission's Rules, whether Thomas L. Root and Kathy G. Root engaged in the unauthorized transfer of control of The Petroleum V. Nasby Corporation.
3. To determine, in light of the evidence adduced pursuant to the above issues, whether grant of the renewal application of The Petroleum V. Nasby Corporation will serve the public interest, convenience and necessity.
4. To determine, in light of the foregoing, whether approval of the pending applications seeking to transfer control of The Petroleum V. Nasby Corporation will serve the public interest, convenience and necessity.

The hearing will be held in the Offices of the FCC, in Washington, D.C., commencing at 10:00 a.m. on October 18, 1993. Members of the public who desire to give evidence concerning the foregoing issues should write to the Federal Communications Commission, Washington, D.C. 20554, not later than July 17, 1993. Letters should set forth in detail the specific facts concerning which the writer wishes to give evidence. If the FCC believes that the evidence is legally competent, material, and relevant to the issues, it will contact the person in question.

A copy of the application, amendment(s) and related material are on file for public inspection at Station WSWR(FM), 47 East Main Street, Shelby, Ohio.
